

7 OCT 1981

MEMORANDUM FOR THE RECORD

SUBJECT: Information Presentation of Master Plan Development to  
National Capital Planning Commission (NCPC)

1. On 1 October 1981, an information presentation of the Agency Master Plan Development was made to the National Capital Planning Commission (NCPC). The following persons were present representing the Agency's interest:

Walter Arensberg, SOM  
James Rich, SOM  
Alan Carroll, SOM  
Elizabeth Scullin, JHK & Associates  
Marsha Pruitt, GSA  
James McDonald, D/L

2. Robert Gresham, NCPC, described the history of the 1972 Master Plan Study and the coordination efforts with NCPC and local community government groups in this latest 1981 study. He then introduced Mr. McDonald as the Agency's spokesman.

3. Mr. McDonald spoke to the Agency's efforts for consolidation and our desire to continue our record as good neighbors to the Langley Community. A copy of Mr. McDonald's remarks are attached.

4. Walter Arensberg, SOM, gave the formal information briefing, which described the program, the design constraints, the alternative studies, the selected design, traffic impact, environmental considerations, and the sight line studies.

5. The presentation was well received by the Commission with one question concerning the existing hill west of the cafeteria and one question about the location of the helipad.

OL 1 4200

5. Mr. Gresham concluded the presentation by advising the Commission that the proposed "move-in" of 3,000 people included 1,000 that had "moved out" since the 1972 study. The 3,000 additional population therefore conformed to NCPC guidelines.
